ARRIVED AP: 19<sup>th</sup> February 2009  
OWNED BY ARUNDEL PARK  
RETIRED DEC 2009.

Ranger arrived at Arundel Park in February 2009 with Iceburg.  
He was a very trustworthy reliable horse.  
He is a Fine build, with a very gentle nature.

Ranger was used for all sorts of riders from children to adults  
very good for nervous riders and beginners. He was also used in  
private lessons

Unfortunately due to bad arthritis he is unable to be ridden  
anymore so retired the end of 2009.

He is still able to be used on ground to teach grooming, tying up  
and tacking up. He is a well loved horse and a favorite to many,  
As well as a great member of our Arundel Park horse team and  
one of our oldest, we hope to continue to care for him and will  
rely on retirement sponsorship.
