"WILLIAM"

BREED: Welsh Mountain Pony
HEIGHT: 11.2hh
COLOUR: Strawberry Roan
SEX: Gelding
AGE: 28
ARRIVED AP: 25th August 1995

William arrived at Arundel Park in August 1995.
He is a solidly built pony and has been with us for sixteen years.

William was used for carriage driving and did a lot of competitions; he was also used for children riders, high support riders and a great height for sidewalking.
In 2009 it was decided to semi-retire William, and he now only does a couple of classes per week which he still loves.

He is a well loved pony, and is known and loved by most riders and volunteers.
