Zaa arrived at Arundel Park in April 2008 and he is our tallest horse with a very gentle nature.

He is a medium long build, best friends with Zorro.

Zaa is used for adult riders from beginners to advanced, also used in private lessons.

He has taught many riders the basics of riding up to cantering.

He is also used as a Vaulting horse and has been to many Vaulting Competitions.

He loves trial riding and is a popular and well loved horse. As well as a great member of our Arundel Park horse team, we hope to have him with us for many years to come.
